Greetings Carmen,

Thank you for the update on the status of the order completion.

We do not understand what you mean by EXW terms, so please explain.

When Karyna made the order it was with the understanding that you will make arrangements to ship the furniture from a port in our country to Miami Florida USA. We will take care of the cost for the shipping, and we will make arrangements from Miami Florida USA to St. Thomas.

I can do follows as your instruction, But the cost from our to the Miami port, It exclude in the invoice.

We are not familiar with the ports and shipping in China, which is why we need you to make those arrangements. We can arrange, Just need to check the freight =Then tell you how much. will reply to you later.

Please advise and let us know what the shipping cost will be so it can be included in the wire as well. Will reply to you later.

Thank you and kind regards =aphne
