Sorry I was driving at the time I sent=the last one and it sent prematurely J I o=ly took a small peek because I didn't want to pull up too much carp=t and ruin it (but I guess you're replacing it anyways?). If it=99s ok, I'll go ahead and pull up a chunk from the hallway to get a=better a look. From the few inches I saw, it looked as if it were regular=wood floors and not the parquet.

Tomorrow I have requested the day off so I can f=nish packing and will do it then if that's ok? I can't beli=ve how much stuff I have... especially considering I moved to NY with=only a suitcase full of stuff!!

Hope to see you one day soon, Sarie.</=pan>
