Hi [REDACTED],

Just wanted to follow up on your quote to see if I can assist with anything. I understand the pricing was possibly to high, we can look into a wool field with a sisal design and this would bring pricing down also.

All the best,
Lindsey

Thank you! Please note this quote will not be finalized to order until we are able to get a physical measure of the room. Is this something we can set up?

We would need rip up of current carpet included in installation price.
Thank you!

HI Lindsey,
I've scanned in the dining room from our plans of the house and saved in PDF
format. Does this work for you?
