The wedd=ng was an accurate predictor of their future life, in which the Châtea= de l'Horizon was invaded by a steady stream of celebrities and han=ers-on. By 1951, the marriage was, to all intents and purposes, over, and A=y's womanizing continued apace. A few years later, after his disapp=owing father's death, it was revealed that Aly had been passed over=in favor of his son, Karim. When Aly died in a car crash outside Paris, his=body was interred at his Riviera home, where it remained for over a decade b=fore being moved to a mausoleum in Syria.
