I can't find any info on the bronze shields at all. I have no idea where they are from or how much they cost. we have had them for so long in storage. can we just make up a price and say they are from US?

Greetings S -

Thank you - and Yes, the desk was delivered to LSJ on 5/17/12, DW

just got back to NY. I can look through the house books and see if I can find anything for the cost.

Also, checking if the large desk for 5 Palms is on site yet?
