Hey Rich...c=n you call the garages and make sure that Janusz's name is on the list of d=ivers...I thought this was sorted out the last time he was in town and driv=ng...perhaps we changed garages? not sure...but we need to make sure h= has access to both cars whenever he needs them.

Hi Les and [REDACTED]

I had some diff=culty getting the garage to let Janusz take the suburban tomorrow. They eve=tually, after asking me a lot of questions and taking all my details, are l=tting him take it tomorrow to take us to the airport. I don't know who out o= the 2 of you they know best but could one of you call them and organize th=t Janusz can drive for the next couple of weeks. I also had no idea that th= Bentley and the Suburban are in different places. I am sorry, this is part=y my fault, I took it for granted that Jojo would have let them know Janusz=was taking over for a couple of weeks.

Let me know how it goes.

Thank y=u
