Hey les.. were you the one to arrange to have the key code lock put on 1B? I need to have it done on 8H as well and wondering who you called if you remember? I have the number to a couple locksmiths who I think can do it, but wanted to check with you first.

I also want them to look at 11B's lock as I was unable to do a hard reset on the lock last time I tried and should be able to..
