\* Pinterest Etiquette: Try to...

\* Be Respectful. Pinterest is a community of people. We know that individual tastes are personal, but please be respectful in your comments and conversations.

\* Be Authentic. Pinterest is an expression of who you are. Being authentic to who you are is more important than winning lots of followers or fans.

\* Credit Your Sources. Pins are the most useful when they have links back to the original source. If you notice that a pin is not sourced correctly, leave a comment so the original pinner can update the source.
