Hey!

I am away till wedn=sday. Didn't tell you as its very short and worked up to last minute. Could=t move all my stuff outside... Etc..

It h=sn't been confirmed yet, but I am suppose to go away around may 11 till the=20th or 21st.. Part of that trip will be with Jeffery. I don't even have my=flights yet but yes I am suppose to be away that time. Once all confirmed I=will let you know..

FYI; I asked about lo=ks on the bedroom closet doors. I think it's a bit more difficult then we t=ought because they are sliding doors. I'll ask some one better when I have t=me. It needs a good handy man that knows what he's doing.

Thank you!
