⚠ EXT MSG:

Dear Jacquie,

Could you please let us know what is the country of origin for the items we bought. We will need it for customs purposes.

Thank you very much!

Bella, Hi, What I need to process the tax return is the following. A document from the exporter with customers name, bill of lading, exporters name, license# and address and the country of final destination. Once you e-mail that to me I will credit back the tax a total of \$2256.94 & \$45.94= \$2302.88. I will make notations on each of the documents #66592917 & 66592926 here that we are awaiting the tax exempt information to process the credit. Thankyou
