Hi Kar=na  
[REDACTED] will forward shop drawing so you have all measurements, a= I have nothing to go on  
So be be clear we are going to have 3 di=ferent stone surfaces not including the floor in each cabana bathroom

=div>If you are going to buy pre-made vanity tops, we will need to see photo= or better still samples so contractor can get the best match for the large=countertop

Please advise

Thanks

Hi [REDACTED]

I spoke to Jeffrey about the sink tops for cabanas. He still wants to have the measurements. He said he doesn't mind if it won't match the countertops of the cabinets.

Could you please send it to me when you get a chance please. I know you are busy with the furniture now, so when you can.

Thank you!
