They eventually, after asking me a lot of questions and taking all m= details, are letting him take it tomorrow to take us to the airport. I don=t know who out of the 2 of you they know best but could one of you call the= and organize that Janusz can drive for the next couple of weeks. I also ha= no idea that the Bentley and the Suburban are in different places. I am so=ry, this is partly my fault, I took it for granted that Jojo would have let=them know Janusz was taking over for a couple of weeks.
