Professional PDF Viewer

<<http://i2.cmail5.com/ ei=/80/2F6/13E/211853/images/src-pdf.jpg>>

In GoDocs 3.0 we took the built-in PDF Viewer to=the next level. Now large pdf files load amazingly fast, you are able to op=n pdf links, go to specific page and even read pdf files in two dimensions.=

Search Document Contents <<http://i1.cmail5.com/ ei=/80/2F6/13E/211853/images/src-search.jpg>>

With GoDocs you are able to search for text in d=cuments. Therefore, finding specific paragraph or line is easier than ever b=fore.

Create new documents and folders <<http://i4.cmail5.com/ei/=80/2F6/13E/211853/images/src-documents.jpg>>
GoDocs allows you to create new documents, spreadsheets and folders.

Advanced document editing <<http://i3.cmail5.com/ei/=80/2F6/13E/211853/images/src-edit.jpg>>
Now, you have the opportunity to switch between the mobile and desktop editors. More than that, we optimized the editor so the entire process is streamlined and easy.

Organize documents in collections <<http://i5.cmail5.com/ei/=80/2F6/13E/211853/images/src-organize.jpg>>
With GoDocs, you can make a convenient structure for your documents, moving folders and files from within the app.

Push notifications <<http://i6.cmail5.com/ei/=80/2F6/13E/211853/images/src-push.jpg>>
With our Push Notifications service you will receive push notification when a new document has been shared with you or when a shared document has been changed by someone else.

Manage and view revisions <<http://i9.cmail5.com/ei/=80/2F6/13E/211853/images/src-revisions.jpg>>
There are a lot of innovations in the revisions. While preserving viewing of specific revisions, now you have the ability to open them in other applications, send revisions by email or print specific revisions.

Vastly improved user interface <<http://i7.cmail5.com/ei/=80/2F6/13E/211853/images/src-ui.jpg>>
GoDocs 3.0 has a refreshed and even more user-friendly interface. The app looks amazing on the iPhone and now supports iPad Retina Display.
