The dining table set we can make it in white color. And I make an invoice here . Please check it.

Base on the total CBM, I suggest you order 10 sets. If you order 10 dining table sets, it is a full 40GP container. 8 dining table sets will waste you about 3 CBM of the container. What do you think of it?

And it is the end of the year now. The delivery time maybe a little late. Once we make out, I will inform you to ship it. Thank you!<=u>
