Could you help me please? This is a draft of an email to Merwin, Leo and =oyo (Sonam was off). Would you recommend any changes?

Good morning Merwin, Leo and Jojo,

It has come to my attention, that the catering kitchen was left untidy =ast night. I must admit, I was surprised, since only in April we had =his discussion and you spent a great deal of time cleaning it. Therefore I feel that it is necessary to remind you, that Mr. =pstein's policy is that each one of you is responsible to leave =our workspace clean before you go home, which includes the cellar =loor.

Since the problem with the cellar persists despite the multiple attempts =o fix it, I assume we need to come up with a more effective strategy =ow to maintain the place.

Let's discuss today please.
