Subject: LSJ Cabana Cabinets

Good morning
Attached for your reference photo's of the cabinets for cabana 4
They have not been installed and the blue is the protective coating over final finish
Vanity base is 22 deep by 33 wide, it is the same for all 4 cabana's and will go hard against the
back wall.
If you can send us the size of the vanity top, I will then cut a template from plywood to show fit
to vanity

Hope this helps
