We do reglaze the tubs and it works well. For 10F and 10C and 8H - let =e know exactly what you will be doing in the renovation. I do have =enn available and as long as we are clear upfront on the scope of work =t can be done immediately. Next week Penn will have guys available and =ould be able to start on 8H (but again, you really need to be clear =nd have all materials prior to starting.
