Obviously we need to though if we are planning to use it, and I will get the service to do a thorough clean after he leaves.

I also need to do a double check on all guest apartments that we have two sets of all bedding and towels, so that the cleaners can put on the fresh set when I send the old set away.

Les I am not sure what we should do with the cleaning. I have a feeling that JE wouldn't be happy with us paying for the service to clean Sams apartment or with having Lyn and Jojo do it.
