Hi [REDACTED]

This is for a business visa. My suggestion is to do this in Paris. There should be an agency who can handle this. With entry stamps into France in the US passport this should work (I'm told). In addition it will be better not to tick the boxes re being denied previously or criminal charges - whether or not to do this should be J's decision of course and not mine! Hope all is well!

Love

David

Thanks David.. what do I need to do with this now? Do I need to apply again for another visa with this letter? Do I need to apply for tourist or business visa?
