I have no idea what JE wants to do in 5 Palms. I haven't been part of any of the process of that building really.

Good Morning [REDACTED],

Could you please confirm what color the interior of 5 Palms needs to be painted or what surface is required if Ion is doing any work on it, either way we need to do something early next week to cover all the stucco work

Also confirming that touch up work for Ion that JE requested, really very little perhaps 2 days given his speed - areas around light fixtures/switch's a few areas in your office

Thanks

Warmest regards

Karen
