Thank you.. sorry for late reply.. I'm out of the country and time =ifference is tricky I think we are all set on the finish according to Karyna, the girl who =as with the workers yesterday. The floors really need the cracks filled =n to be properly finished. So whatever they are doing now in 8H, we =ill do for the rest of the apts.

We would like to proceed in installing the baseboards you have as well =n 8H, but I would like for Karyna to see a sample first to confirm if =hat's OK.. can your guys bring a sample to the apt to show her?. thank =ou..
