Hi ████████

The only guys I have worked with are Dominik and Adam. I'm not very happy with their last job because it was overpriced and the floor is already coming up in the basement!

Joseph said his cousin in Long Island is a contractor - I have never used him for jobs here and I have never met him or seen his work. Do you want me to reach out to Joseph for his cousin's contact info? Joseph is in the Philippines so I don't know how long it will take for him to respond.

The only construction/contractor guy I could recommend is a guy who only refinishes wood floors. He did the floors in Josh's house and they look amazing. I believe he charged $3500 to do the entire house.

I'll ask Josh if he knows anyone.

PS You must be having so much fun re-doing the apartments!! I am hoping to enroll into interior design school soon so perhaps I can help you with your future projects :)

Hey DB.. do you by chance have a decent contractor you have used? I'm looking to renovate one of the bathrooms at 301 and JE doesn't want to use Penn again. Any input would be great! Thanks
