5 Palms Mirror Inventory

3 extra mirrors shipped  
one of the 3 was scratched  
5 mirrors need to be replaced due to bleeding through of glue ( all on bottom row, 5 bad out of 8). The 5h mirror started to bleed this morning.

2 mirrors on 2nd row have a small defect and should be replaced, not sure how the defect got there.

Need 5 new panels. Maybe one spare.

Do you want [REDACTED] to order or we can call direct.  
Still no glue, company won't ship to STT, only to states. We just got off phone with them. Trying to resolve. Will update later.
