Hi [REDACTED],

Do you need us to replace the baseboar= in apt 10B ?

Thanks

sorry, it was yesterday t=at I spoke with him.. I must have misunderstood him as I thought he had sai= he left it the natural color of the wood and just put a protective coating=on.

Regardless, the floors l=ok great! I will let you know when we are ready to have the remaining apts d=ne. 10B should be ready to work on by middle to end of next week. There is c=rpel in the living room and bedroom which will need to come up, then staine= the same as the other 2 apts. They are moving out of the apt on Tuesday, s= I can let you know once it's ready for you to start.

Thanks Colette.. I saw your flooring guy today and he said they did not stain the floors with the country white, just left the wood as it's natural color. Does this affect the price since they didn't do the country white stain?
