Hello to All,

The defibrillators for Zorro, Airplane and LSJ, GSJ ar= at 9 E 71st.
We will bring the new defibrillators for Zorr= once we fly there.
The one for the airplane Mr. Epstein di= not want to replace yet, until the new airplane is fully ready.
=SJ, GSJ are still on hold too, due to the construction situation on the isl=nd. We will bring them personally when we will be staying there and I=would like to personally show everyone how it operates.
