[REDACTED] has what was in envelope. She didn't open. I will let you know in a bit if that's it when I'm back home.

Hi all...there is an opened UPS Envelope sitting here on the table in the Oval Office...it was sent to [REDACTED] attention..did one of you open this? [REDACTED] was to receive her new Amex card today and we are thinking it was in this envelope...but the envelope is open and nothing is in it. Obviously, this is of the utmost importance,....please let me know if you saw this envelope and/or opened it and where the contents of the envelope are.

Jojo signed for this envelope and left it on the round glass table in the oval office.
