sorry for late reply.. I always do a search first on Kayak as they usually show some of the smaller local airlines that AmEx doesn't really see. EasyJet is a no frills basic European airline that is very inexpensive. [REDACTED] actually flew on EasyJet from Paris to Nice awhile back. The only negative with the airline is that they will make him check his bag as they only allow literally one piece of luggage on board which would be his backpack. They also don't assign seats; it's a free for all. I can ask some of my friends in Paris if there is also a local travel site they use and let you know.

Hi [REDACTED]!

Can you tell me what website you use in Europe to find cheap air tickets? Trying to find [REDACTED] a ticket from Paris to Florence Italy.

Thanks!
