Good morning Karyna,

I would like=to let you know that all the wall fixtures you listed, do not require elec=rical systems, they are placed over an existing lightbulb.

Here are the=prices:

Applique Tam=ourin coton: \$240 (We don't have many of these model left as they ar= getting discontinued, so depending on how many you want, these could be p=ssible. Let me know.) Grande appli=ue celeste: \$270 Petite appli=ue celeste: \$200 Applique sp&=acute;rone: \$140

They have al= of these in stock so they could get to New York by next week and possibly=by end of this week.

Best,
