"Hello Rachel,

I hope all is well.

I've included [REDACTED] in this email [REDACTED] w=s our intern for the majority of 2018. She is moving back to London =id-September and wants to continue in the design field. She was instrumental in our marketing department, and was a wizard when workin= on floor plans for projects. Totally reliable, team player and very=personable.

I'll let her review her credentials with y=u, I thought you two would be a great fit if you're in need of ano=her design connoisseur.

I told her you are huge fan of Liaigre and you hav= an unbelievable and incredible eye for design.

The next time you're in NYC stop by our ne= location in NoMad at 102 Madison Ave, and we yes still have the 61st=/sup> Street townhouse.

Take care and be well.

Dan
