Hi [REDACTED] Would you be able to help me today to buy the below cleaning supplies for both apts [REDACTED]? We will also need to buy some cleaning rags, paper towels and something to clean wood floors with. Can you also please check if there is a vacuum in both apts in the closets?  
I have someone coming into clean [REDACTED] tomorrow morning at 9am, and I need to make sure there are cleaning supplies needed in order to clean properly.  
Please let me know if you can do this. Thanks.
