Dear Karyna,

I'm excited to introduce myself as the new Membership Director at Priority=Private Care. I come with over five years of experience in membership and h=ospitality from NeueHouse, a private high-end workspace and cultural for creative entrepreneurs.

Being a member o= PPC should feel like having a family full of doctors. So please don'= hesitate to contact me or our team with anything you might need. Whe=her it's a medical inquiry, a membership question, or anything else, no con=ern is too small, and no issue is too great. If something can be done, I'm h=re to make it happen.

As a reminder, membership is more than e=clusive access to immediate 24/7 emergency level care - we have a network o= over 500 leading specialists as well as advocacy and counseling resources around a wide range of topics from women'= health and wellness to elder and infant care.

I am committed to crea=ing a personalized and caring experience for you and your family, and in or=er to get to know you and gain a better understanding of your needs, I woul= love to find the opportunity to connect with you over the next 30 days.
