Thanks..

Has Andrew Lasso, the super intendant for the building gotten in touch =ith you regarding working on the floors in 10F? We had some issues in =he flooring there where there was a leak and it caused the floor to =well with huge mounds, so they had to remove alot of the flooring to =latten it down again. It's a bit of a mess. That's the apt we want =orked on next after 10B and I asked Andrew to schedule this with you =nd just wanted to see if he has?
