Hi Karyna,
Absolutely! I will get back to you soon with this information.
All the best,
Ana

Subject: Lamps inquiry

Dear Ana,

Thank you very much for your assistance over the phone.

As discussed, please see below the link for the lamps from Maison Sara Levoine, that I am interested in. If you could please find out if they can be compatible for US electrics and also send the quote and the ETA, that would be much appreciated.

Thank you very much,

Karyna
