Awesome! When I mentioned t=B you probably had a work thing tomorrow, he asked his friends Ryan and Li=dsey for dinner as well tomorrow. I think you guys will really like them to=. Ryan is one of B's closest friends and is really great. He and his wife a=e from Rochester..very cool and down to earth.  
I mentioned b=wling, and B thinks there is a cool spot in Brooklyn that has live music or=something..I'm looking into it now. Does that ring a bell?  
=hat time can you meet up? SOOO excited to see you guys and for you to final=y meet B!! :-))
