Good afternoon Molly,

We would like to order 50 square feet of the white thassos tile, that you gave me a sample of (picture below). Could you please kindly let me know if you have it in stock and what would be the lead time? It would go to the same address as the shower tiles we ordered from you earlier.

My colleague Brice, who is managing this project is copied on this email and will work with you on this order. I am not sure if 12"x12" configuration would work or if we need a different size, Brice could you please advice on that part?

Thank you very much!

Karyna

Hi Karyna,

Nice seeing you yesterday. We carry two grades of Thassos Polished A1 Select (cleanest) and A2 Standard. We carry A1 in various field sizes which can be seen in the DSP attached. We carry Thassos A2 in 12x24.

I've attached two lot photos for your review. Thassos A1 Select Lot 071718 and Thassos A2 Lot 37333

If you have a photo of your client's bathroom I'm happy to look at it to see if I can identify the stone being used.

Feel free to contact me with any questions.

Thanks,  
Molly
