Hey [REDACTED]

The flooring people are unable to start 10B today as the guy broke down =n his way into the city, so they will start tomorrow. If you are at 301 =oday for anything, can you have a look in 10B and see what is left in =here so maybe Penn's guys can move out whatever is there into 10F today =o it's all ready to go in the morning.

Lemme know..thanks!

Did you have a good weekend? Did you have some down time?
