Karyna told us to install the tiles horizontal. I will take pictures today. Demolition is done. Dropped ceiling is done and ready for electrical. All plumbing roughing for shower body and check valves are done. We will start the shower floor today and will install tiles tomorrow.

Good morning. Just checking in on 8H bathroom. Would someone be able to send me a few snapshots? Also, how is the tile being installed? What direction, pattern? No one ever asked me which way it should go..did Karyna tell you what she wanted?
