Frances and I were just speaking with Jeffrey and rec'd clarification re =reakfasts, lunches and dinners...we are never to assume Jeffrey wants =rances to prepare a breakfast, lunch or a dinner. Every time food is =cheduled we must ask if Jeffrey wants Frances to prepare.

I will be the one mostly putting the question forth to Jeffrey, but just =n case there is a weekend or an impromptu something that comes along, =lease DO ask Jeffrey what his preference is...

Thanks

Can you ALL please respond back so I know you have read this.
