I spoke to the employment agency that GM uses <<http://www.regaldomesticsinc.com/>>  
[www.regaldomesticsinc.com](http://www.regaldomesticsinc.com) <<http://www.regaldomesticsinc.com>>

She had contacted them in the past about a couple for Zorro, and apparently this is where Janusz came from as well.

She is asking if I can send her a job description and salary range for the couple. Would you be able to help with the job description, and I have no idea what salary range would be either!
