I have never heard about LSJ Emergency=LLC, I wouldn't address an order this way.
So it must be someone else I would assume.

Greetings Michael,

I have requested that the packages be opened, as I have asked 4 persons within my organization what was ordered on behalf of LSJ Emergency, LLC and have so far received no response. =/div>

Debra Braziel will submit the request on our behalf, but we understand this is an extremely busy time for you.

<=div>

If I receive a response from my organization, I will notify you immediately.

Thank you for your understanding, Daphne=Wallace

Good afternoon ,

Tropical shipping has a shipment in need of a commercial invoice or proforma.

Can someone so kindly send us a copy so we can process this shipment for the next available sailing. It is imperative to include any tracking numbers.

Please also be sure to include the final SHIP TO port and consignee. This needs to say SHIP TO.

The tracking numbers we have are
