I can't confirm anyone right now. I have asked Jeffrey several times about [REDACTED] [REDACTED] and he has never responded. [REDACTED] has not touched base with me either so I think her coming to stay at the ranch on the 15/16 is a moot point.

Jack Horner is to come 26,27,28 but we have not purchased him a ticket (cause JE waiting on Woody's plans)

Danny Hillis is to come the same time as Jack Horner so they can all dig for dinosaur bones.

That is all I know for possible guests.
