Hi [REDACTED],

I just spoke to [REDACTED] regarding the floor repair that needs to be done at apt # 10B. we discovered when we removed the carpeting that approx. 60 sq ft of flooring needs to be replaced. I have attached the new proposal with the repair and also the baseboard that we had spoken about previously. Can you let me know if it is ok to proceed with this repair.

Thanks

Colette

I'm out of town, but will ask one of my colleagues to check.
