Ship date of the outdoor 5 Palms furniture is 7/12/12 to Tropical. Not sure how long it will take to arrive at Tropical If you could send me the size of the large frame which came down on the plane so I know what size photo will need to go in it once he chooses something as well.

I told the framers for Zorro Steve will call him directly and I've given him my credit card info for payment

Hi [REDACTED],

Just want to give you an update on info etc that happened with JE meeting this morning

Confirming that you will be purchasing a piano bench with adjustable height option, will need to be black to match the piano and have storage for sheet music

Do you have a delivery time for the sofas for 5 Palms? He agreed to move the Restoration furniture from 5 Palms to the Kite once they are on site

Would like to look at a different desk for the pool cabana and new furniture - want more like the furniture in the pool cabana in PBI, hence orange sofa will move back to Media Room

Wooden/Gold frame brought down on the plane - looking at placing a canvas/picture and framing for 5 Palms

Can we review the white piece of furniture you suggested for the Relax Room - possibly comes in different sizes I think you mentioned!

Blue Rugs - Relax bathroom & vanity area - bedroom Sam's Place

Unable to get punching bag etc delivered to USVI, hence JE wants me to forward details to Rich B to buy in NYC and get to LSJ

On the Zorro front he wants a punch list on things which I will put together over the next few days

Carlos & Norma are to be hired<330.gif>

Estancia Curtains were stored away wet - hence really moldy, will get new made from Sunbrella locally

One thing I have no idea about - a canvas which is in the cross room - was suppose to be framed!!!!

I did see some traffic thru Manoilto and when I asked him about it he said he was working with JE on this!!!

- sorry I have added Zorro items to LSJ E Mail, but you get the idea

Please review and let me know what does not make sense

Thanks

Warmest regards
