I couldn't find a website for the furniture guy and it only says "French Polish & Restoration" so maybe I was wrong when I said he could customize furniture but it's worth a try?

One guy that does custom furniture (he can recreate something from a picture) is Miguel Saco. We only received quote from him before but didn't proceed so I'm not familiar with his custom work, however, she does have a few purchased pieces from his gallery <http://www.miguelsaco.com/>

I hope at least one of these can help you!
