Welcome To TrackPass RaceView

Dear [REDACTED],

Thank you for subscribing to TrackPass RaceView on NASCAR.COM! You can now access NASCAR.COM's premium live event coverage.

You have registered for the TrackPass RaceView. If you are a new Trackpass subscriber and the product you registered for contains a free trial (as indicated in the title above), you will have full access through the end of your trial period. If your subscription does not contain a free trial, or if you do not cancel your subscription within the trial period, your subscription will continue and your payment method (e.g., credit card you submitted) will be charged the current subscription fee (currently 14.95).

If you have signed up for an annual, half-season/six-month or monthly subscription period (as indicated in the title above): At the conclusion of your initial subscription period, your subscription will automatically renew at the then-current fees applicable to your subscription (e.g., for annual subscribers, subscriptions will automatically renew after the first year and each subsequent year). The payment method you used at the time of initial purchase (e.g., credit card) will be billed for each renewal at the then-current fees applicable to your subscription.
