Hi [REDACTED]

Thank you for sending us your selects. We see that you have only picked 42 images. You are entitled to 8 more. Would you prefer that Jeffrey pick out the remaining 8 or have Michael select the last remaining photos? Before we begin retouching, we ask that we receive full payment of \$6500 for the job. You can either send a check to us or call in your credit card information. Please let us know how you would like to proceed.

Best,  
Zyanna

Dear Jeffrey and Sarah,

I looked over the photos that we sent you and I thought it might be easier to view them this way: Please click on this link <http://mw-studio.com/Epstein> <<http://mw-studio.com/Epstein>>

Please let us know that you received them. I hope all is well and that you are enjoying your summer!

Best, Michael

P.S. Please keep in mind that these photos are not retouched. Once you make your 50 selects we will begin retouching.
