I asked Karen if s=e knew where these items might be stored. She said the rods were repurposed=for GSJ. She said the curtains are in a marked bin. I will continue searchi=g for them today. We may need to reorder both. Karyna - did Karen order tho=e or did you?

The c=untertops are scheduled for the first week of May. I sent the wire transfer=request to Rich on Friday for the deposit. She needs this payment ASAP to o=der the materials so that they will arrive in time for install. We still ne=d to select color for countertops in tiki kitchen. I will send you more inf= on that today. If we select this by Friday they can also be installed the s=me week.
