JE would like me to fly out tmrw night through puerto rico.. not sure what that means, but either way i will need a new flight booked and a car to pick me up.

i am in the garden with Josephine till 1 tmrw so a flight in the evening would be best thank you.

I wil be in to check in on Friday to check in with Lyn about Sundays breakfast. Also i will get some shopping done friday so I'm not scrabbling for food on Sunday.
