Greetings John,

Attached please find the invoice for the cargo. It arrived in Miami on July 30. It is presently with Kelly Global Logistics - their number is [REDACTED] - I spoke with Iliana. There is a fee of \$90 - let me know if you need that paid separately or if you pay and bill us later. To avoid incurring storage fees, the cargo must be picked up by August 7th.

We have booked the cargo with Tropical Shipping already - BOL10448085. Let me know if there is any additional information you need. My contact information is [REDACTED] or [REDACTED]. Lund & Pullara has the POA on file.

Thank you and kind regards,

Da-hne
