I hear you. I'm assuming you're changing yours and [REDACTED] flights to Bahamas, etc? Was going to ask you about all that. The cleaning lady is coming at 12pm for 8H. I used Slate for my apt and they did a pretty good job. We shall see if they are consistent.

Sorry to only respond now, I have been booking , cancelling and rebooking flights with Amex concierge all evening. Karyna may need to come to NY tomorrow and there were no direct flights left.

I have the mattress order form somewhere in my email. I will contact them tomorrow and let them know to deliver.

I will be at [REDACTED] in the morning as Michael is returning and Andrew is going to come and look at my bathroom for Penn to do. The cleaning lady from today was awful, I cant stand constantly having to babysit and when I went back into the apartment she was sitting on the sofa eating a bag of chips. So I will pop into 8H tomorrow as I would like to see the difference in caliber of Slates people. She was supposed to do my bathroom and kitchen tomorrow but I really want to cancel, I would even rather just get it done myself. Would probably be faster!

I may also have to go up to Columbia tomorrow morning to meet someone on Karynas behalf.

Karynas says she ordered a sofa from Room and Board.

Karyna said you have the order info for her mattress. Would you be able to schedule delivery for it this week since her bed is now in apt? I'm having 8H cleaned tomorrow by Slate, the new place I'm trying out. All appliances should hopefully be in by Friday.

Karyna, have you ordered a couch yet?
